An Express Train Caught Under a Falling Mass of Stones and Dirt.

A FRIGHTFUL CATASTROPHE.

A Passenger Train Crushed by a Falling Mass of Stone.

PITTSBURG, Nov. 18.—The limited express coming east on the Pittsburg, Cincinnati and St. Louis railroad, which was due in this city at 6:30 this morning, was wrecked by a landslide at Jones Ferry at the outskirts of the city and a number of persons injured, two of them, it is thought, fatally. The train was running slowly and just as it reached Jones Ferry a mass of rocks and earth came tumbling down from a precipice forty feet above. The first part of the train escaped, but the huge mass crashed into the three sleepers, which were in the rear.

The interior of the rear car was almost completely demolished. It was a Cincinnati sleeper and fortunately had a small number of passengers in it. The two other sleepers were also badly wrecked. The following passengers were injured: Albert B. Bennett, New York, wedged in under an upper berth of one section, his shoulder blade and two ribs broken; dangerously hurt.

E. A. Curtis, New York, severely though not dangerously injured.

C. C. Lippman, Indianapolis, badly cut about the head and body.

A young lady from Terre Haute, Ind., whose name was not learned, struck by flying pieces of rock and hurt about the head and body.

Mr. Fowler, of Washington, D. C., slightly injured about the body.

In addition to the above names a number of other passengers were slightly injured.

S. A. Bennett, of New York, is getting along fairly this evening and will probably recover. It is thought that David Arheim, of this city, will also get well. No blame for the accident is attached to the country, as the rocks which caused the damage fell from private property on the hill. The damage to the sleepers was about \$15,000.

APPEAL FOR MERCY.

Chicago Knights of Labor Moving in Behalf of the Condemned Anarchists.

Chicago, Nov. 18.—The following is a copy of the resolutions adopted last night by District Assembly No. 24, Knights of Labor, with reference to the condemned anarchists. This assembly has jurisdiction over nearly all the assemblies in Chicago:

Whereas, The time for the execution of the condemned so-called anarchists is rapidly approaching, and

Whereas, It is well known that the judicial machinery of the criminal court of Cook county is so manipulated that a fair and impartial trial is impossible, therefore, be it

Resolved, that District Assembly No. 24, Knights of Labor, denounce the verdict in the anarchist trial as the result of established and judicial conspiracy unparalleled in the history of criminal proceedings.

Resolved, that District Assembly No. 24 will use every honorable means to prevent the execution of this sentence, thereby saving the lives of the condemned men, and that the same be read to the members of the assembly.

Resolved, that a committee of three be appointed by this district assembly to visit Gov. Oglesby, if need be, on behalf of justice.

Resolved, that District Assembly No. 24 call upon all its local assemblies to do all in their power in this direction, to the end that justice may be done.

The resolutions completely overturn the action of July 2d, of the district in expelling all anarchists, and show, it is claimed, a complete change of sentiment among the great body of the Knights of Labor since that date upon the question of the condemned seven. The district is composed of some 125 local assemblies with an aggregate membership of 25,000. Of the seven condemned men Parsons is the only one who is a Knight.

In addition to the above a resolution was adopted instructing each of its members to mail a postal card to Governor Oglesby the day before Thanksgiving, asking mercy for the condemned men.

Cattlemen's Council.

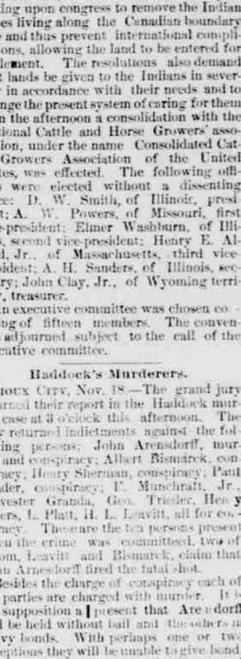

Chicago, Nov. 18.—The convention of cattlemen devoted the greater part of this morning's session to the reading and discussion of papers, by A. R. Struges on "The Western Ranchman and his Mission," and by Mr. A. T. Tross, of Iowa, on "Breeding." A letter from Hon. Warner Miller, from the senate committee on agriculture, promising support to the cattle bill now before congress, was read. A motion that the executive committee assemble all associations represented in the convention to read on their membership for the purpose of defraying the expenses of a committee to be sent to Washington in the interest of legislation for the cattle industry was carried after a lengthy discussion.

Resolutions were submitted citing the advance in live stock and dressed beef rates from Chicago, and denouncing the actions of railroads in direct opposition to the interests of all cattlemen and feeders of the west, and an extension which
